Virginia Horticultural Foundation programs including *Mid Atlantic Horticulture Short Course and Home Gardener Day*

Approved Online/Remote Continuing Education Options

We have approved the following online continuing education opportunities. If you find opportunities you believe should be approved, please email williambell@vt.edu with the details.

Make sure you record your CE hours in Better Impact. If the training offers “continuing education credits,” record your time in Better Impact based on the actual hours you spend completing the training – not the number of “credits.”

Online CE opportunities compiled by the EMG State Office.
