

## NORTHERN NECK MASTER GARDENERS 2023 Gardening in the Northern Neck Exhibitor Listing

**Bartlett Tree Experts:** Enhance the value of your trees and shrubs. Bartlett offers tree and shrub care through a scientific approach, diagnosing insect and disease problems at the root of the issue.

**Capt. Tom's Oyster Floats:** Capt. Tom's Oyster Floats manufactures and sells equipment so you can grow your own oysters. They feature the "Taylor Float" that allows rapid growth from oyster spat (seed) to mature oysters in 6 to 15 months.

**Fly Home Birdhouses:** For over two decades, Fly Home Birdhouses has created highly functional and delightfully artistic birdhouses that last for years. Made to house a variety of small songbirds, including bluebirds, their houses are painted with exterior colors and decorated with hand cut copper designs and roofs. For a preview, visit their website at [flyhomebirdhouse.com](http://flyhomebirdhouse.com).

**Abija Blue:** An array of Japanese garden tools, great functional hats, gloves and aprons, collection of seed pollinators and Mason bee houses, peat moss planters, herb scissors, and more.

**Miller's Greenhouses, Inc.:** An owner-operated retail and wholesale greenhouse specializing in native plants, perennials, and annuals. Located in Tappahannock at 403 Church Lane, their retail outlet includes perennials, shrubs, and trees from local nurseries.

**Waters Edge Specialty Pruning & Plant Health Care:** A family-owned tree and shrub care company providing a hands-on approach to enhance your landscape. Waters Edge focuses on fine pruning of ornamental trees and shrubs as well as solutions to address all facets of plant health through insect, disease, and soil fertility programs. ISA Board Certified Master Arborist.

**Northern Neck Beekeepers Association:** The Northern Neck Beekeepers Association provides its members with a forum for sharing knowledge about beekeeping. The Association is dedicated to educating and promoting the benefits of beekeeping to the public.

**Northern Neck Chapter of the Virginia Native Plant Society:** Members share an interest in Virginia's wild plants and their habitat. Members work to preserve and educate the public about this heritage.

**Northern Neck Land Conservancy:** Preserving the rural heritage of the Northern Neck and protecting the Chesapeake Bay watershed by assisting landowners to protect their property forever under a conservation easement.

**Northern Neck Master Gardeners** consists of trained volunteers providing research based gardening and horticultural education and information to the community under the auspices of Virginia Cooperative Extension.

**Shoreline Evaluation Program:** A Northern Neck Master Gardeners' program that assists homeowners in making appropriate and ecologically sound decisions when choosing management methods for their shoreline property.

**Book Sales:** Visit the Master Gardeners' book sale tables where they display and sell current gardening books and related supplies.

**Northern Neck Master Naturalists:** Trained and informed volunteers work with state agencies to preserve and protect the natural resources within the community through stewardship, citizen science, and education/outreach to the public.

Virginia Cooperative Extension is a partnership of Virginia Tech, Virginia State University, the U.S. Department of Agriculture, and local governments. Its programs and employment are open to all, regardless of age, color, disability, gender, gender identity, gender expression, national origin, political affiliation, race, religion, sexual orientation, genetic information, military status, or any other basis protected by law.
